During February 2010, Voluntary Sector North West (VSNW), in partnership with a number of key organisations held five sub-regional consultation events on Part 1. VSNW also supported 7 BME third sector events with their partners at the regional BME Network 1NW and the North West Environment Link event. VSNW also included discussion on Part 1 at their AGM and at the North West Infrastructure Partnership. The events involved over 250 participants from 200 voluntary and community sector (VCS) organisations in the North West. Both NWEL and 1NW will submit responses relating directly to their events.
